

This Operational Plan has been reviewed and approved by the Corporation of the Town of Penetanguishene's identified Top Management and Owners. The following signatories agree to ensure that an effective Drinking Water Quality Management System is in place, which meets the requirements of the standard, that the operating authority is aware of all applicable legislative and regulatory requirements and is communicated according to the procedure for communications. Top Management and the Owners also agree to provide the resources needed to maintain and continually improve the Drinking Water Management System.
