**County Road 93 Multi-Use Trail Phase 2**

The County of Simcoe has retained the contract to Dufferin Construction Company for the construction of the County Road 93 (CR 93) Multi-Use Trail Phase 2.

The work includes the construction of a concrete trail and sidewalks within the CR 93 right-of-way from Yonge Street to approximately 80 metres north of Lanigan Drive including traffic signal upgrades at each intersection.

Due to unforeseen delays with the traffic signal upgrades, construction on County Road 93 Phase 2 will be postponed until spring of 2021. Dufferin Construction Company plan to proceed with construction on **April 1, 2021**. The construction is anticipated to be completed by **May 31, 2021**.

**Lane Restrictions**

All lanes of CR 93 will remain open and entrances to the businesses will be unaffected by construction during the winter shutdown period.

**Sidewalk Disruptions**

The sidewalks and intersection crossings have been reestablished; however, some portions of the new sidewalks will remain closed during the winter shutdown period. The contractor will provide signage to advise pedestrians of which sidewalks will remain closed.

We ask for your patience during this time of improvements and thank you for your cooperation.

**How will I get to My Business?**

Snowplowing and maintenance of the County Road 93 roadway will be by Simcoe County.

Snowplowing and maintenance of open sidewalks and side streets will be by the Town of Midland.

Snowplowing of private driveways and entrances will remain the business owner's responsibility.

Access for emergency vehicles will be maintained at all times.

**Will My Services Be Affected?**

Telephone, Electrical, Cable TV and Gas services should not be affected by the construction, barring any unforeseen circumstances.

**Safety**

Construction involves the use of heavy equipment and the unavoidable creation of obstacles.

These circumstances are attractive to children, and we ask that you caution your children to stay clear of the working area.

We ask that you take extra caution during the construction period to ensure everyone's safety.

**Who Do I Call If I Have a Problem?**

R.J. Burnside & Associates Limited is the project Contract Administrator and Dufferin Construction is the project construction Contractor. If you have any questions regarding the construction, please call:
