REQUIREMENTS FOR OBTAINING AN OVERLOAD/MOVING PERMIT

- The applicant is responsible to pay the \$75 fee per application or \$200 for an annual application prior to approval.
- The applicant must assume responsibility for all physical damage done to the road through its moving operations. Any repairs that are required must be completed to the sole satisfaction of the Road Supervisor or their designate.
- The applicant must be responsible for obtaining approval in writing from any utility which might require relocation or movement such as Powerstream/Alectra, Bell, or Rogers, and additionally, must assume all responsibility for physical damage to the utility performed through its operations.
- The applicant must additionally be responsible for all brushing or tree cutting required and if the trees that need to be cut are on the right-of-way, must obtain approval from the Road Supervisor. Additionally, if the trees that require cutting are on private property, they must obtain approval from the property owners in writing. Further, it is the applicant's responsibility to determine whether the required cutting is on private property or municipal right-of-way.
- The applicant will be responsible for any necessary road closures and informing all necessary emergency departments of such.
- The applicant must obtain an insurance policy in the amount of \$5,000,000.00 completely indemnifying the municipality for all damages caused through their operations.
