10:30 AM Participants will be asked to line-up along Jeffery Street at 10:30 a.m. 11:00 AM

11:00 AM Parade will start at the corner of Main Street & Jeffery Street, proceed north Main St., to Beck Blvd.

*Floats are asked to continue down Burke St to Fox St following the parade, doing a big loop to eliminate a bottleneck at the corner.

This is an excellent opportunity to promote your business, church, club, or school and show the town what great community spirit is all about and possibly make some money for your organization.

We look forward to seeing your group at the parade. Please let your friends and other organizations know about the parade and have them contact me. Thank You!
