

The Town of Penetanguishene Public Works Department would like to advise residents, and more specifically pedestrians, that the crosswalk at Lorne Avenue and Robert Street East is not functioning due to a motor vehicle accident. In addition, the sidewalk on the South side of Robert Street East in the immediate vicinity of the crosswalk is closed until the area can be safely cleared and re-opened for pedestrian access.

Please use caution if crossing Robert Street East at this location is required as all accessible components of the intersection are not operational.

If you have any questions, you can contact the Public Works Department at 705-549-7992.

Regards,

Bryan Murray, P.Eng.

Director of Public Works

Town of Penetanguishene
